Re: Racist/Religious conspiracy to violate/deny my constitutional rights

- 1- On Feb 1, '08 I get an order from cent. dist. ct jdg-senior-William Duffy Keller - to meet with court approved / accepted psychiatrist Dr. Michael Maloney on Feb 22 2008.

- 3- I felt 'agitated', 'powerful', 'hyper aware'. My urine was light brown and very 'rank' smelling. I was practically not sleeping at all - 'light' naps. I had 'pimples' on my face.
- 4- S.Q. guards Capt. Fox, Lt. Schlosser, Sgt Bickam, % Zeillon, % Novale, % Menaos, % Pureco, % Milender, % Guthrie, % Slip say er, % Adams, % Miguel, % Swain, % Barocio, Appeals coordinator Padilla, condemned counselor Mincey went on a 3 week campaign to psychologically coerce a violent act from me.
- 5- They did not and do not want me meeting with any court appointed personnel.
- 6- I patiently waited.
- 7- On Feb 19, 2008 when the 'pimples' and 'lack of sleep' got out of control I demanded via "emergency institutional appeal" a blood test.
- 8- To date 'no response' to the appeal - BUT the 'pimples' have abated.

2-24-08 psyc visit.

- 12- I said "Yes" on camera.
- 13- Then Capt Fox and % Zeillon refused to allow me to go to the visiting room - across the compound unless I went with no pants or shoes.
- 14- I demanded to be fully dressed. Capt. Fox said "No" and denied - 'Violated' - the court order and 'refused' to take me.
- 15- He walked away telling the camera I'm not going to get my court order honored cause I 'refused' to comply with 'unit policy'.
- 16- I did not get the court ordered visit on Feb 22nd '08 due to Capt. Fox, % Zeillon, % Novak and Sgt Bickham's pre planned stunt.
- 17- Approx 2 hours after Fox and the others left Warden Ayers came to my cell. I demanded to contact the FBI to report this federal crime. Warden Asshole laughed and said "You're not getting shit nigger. White christians are gonna represent you wether you like it or not. And white christians are gonna fuck you wether you like it or not. Fuck you, Fuck allah, and fuck niggers period. Now go file a 602, instit. appeal, about that." He then walked away. Note: That's word for word. He does that.

Re: whereabouts and/or update/ status report to my Feb 24 08
criminal complaint

Dear Sirs/ Maams,

On Feb 22 08 a Fed. court order was violated for racial
religious reasons. On Feb 24 2008 I filed a criminal/civil
rights complaint with this office.

I'd sent it to 'Special agent in charge' Mr. Bruce J. Gebhart,
and 'supervising senior resident agent' Mr. John A. Steiner.

I'd had other civil matters in this office before and they
were the ones that dealt with them several years ago. case #
SF 282-0

It has now been a month since this current civil complaint
Please let me know what its disposition is.

Yours truly

William Kirkpatrick Jr.
